TODDLER TUESDAYS WITH SARAH

EVERY FRIDAY AT 9:30 A.M.
STEPPING STONES WITH MISS DONNA

TO REGISTER FOR VIRTUAL PROGRAMS SEE LAST PAGE

ABOUT OUR IN-PERSON PROGRAMS

Stroller Walks: Join the EarlyON Team for some fresh air and exercise while meeting other parents. Babies and siblings welcome in stroller or wagon. We will respect physical distancing during our walk.

Little Babes Park Program: This program is intended for infants under the age of 12-months. Each program will offer a play opportunity for infants and their caregivers at designated play pods that are respective of physical distancing. We ask that families bring their own toys & materials and a blanket. No materials will be provided. We will have on location an EarlyON facilitator to help facilitate and inspire play and learning!

Open Spaces Outdoor Adventures: Join us as we enjoy free play and adventures in learning in the great outdoors. We will let your child(ren) take the lead in these nature-based programs. Intended for children 2 to 6 years.

Play & Learn Park Programs: Join us in the park for play-based learning opportunities that can be enjoyed at designated play pods that respect physical distancing. Intended for children 2 to 6 years.

ABOUT OUR VIRTUAL PROGRAMS

Zooms for Little Babes

Little Babes Baby Time Conversations: These zoom calls are intended for caregivers with babies. Each session Janice leads the group in singing and moving with baby as well as a conversation around an infant topic.

Little Babes Special Programs: a variety of special topics for caregivers with infants under the age of 12-months led by EarlyON Facilitator Allison Beauchamp.

Zooms for Children 12 months to 6 years

Toddler Tuesdays with Sarah: Join EarlyON Facilitator Sarah Sutherland-Sebo for songs and a story geared to children 1 year to 2.5 years.

Stepping Stones with Miss Donna: Based on feedback from families and with the addition of our 'Toddler Tuesday' program, Miss Donna has made some changes to her Friday virtual program! Little learners can expect the same fun and enthusiasm with additional interactive activities to support development including letter, number, shape and colour recognition.

Important Information about In-person Programs

Registration

During this phase of reopening, the Ministry requires that in-person programs be by registration only. No drop-ins will be allowed. Numbers per session are limited depending on local zone & respective restrictions. We kindly ask that you register only members of your immediate family. These measures will help to ensure your family can maintain appropriate distance from other designated family spaces.

Health Screening

The morning of the program all registrants need to complete an online health screening. A link to the screening questionnaire will be sent to you by EarlyON. These questions will need to be answered for each member of your family unit. Please kindly complete prior to attending the program. We reserve the right to deny entry to any individual who does not pass the screen.

Mask Use

When outdoors the EarlyON staff will be wearing a mask and eye protection when distancing of 2 metres (6 feet) cannot be maintained. Mask use by families is not required in outdoor programming for adults and children when physical distancing of at least 2 metres (6 feet) can be maintained between individuals. We ask that if you encounter a situation that you are unable to maintain a 2 metres (6 feet) distance from others, that adults and child/children in Grades 1 or older wear a non-medical or cloth mask. Younger children are also recommended to wear a mask. Masks are not recommended for children under the age of two. Other exemptions apply. For a list of exemptions visit <https://www.healthunit.com/face-masks#Q2>

Physical Distancing

The Ministry has set out expectations that during this phase of reopening EarlyON programs and services must be offered in a way that maintains physical distancing. As such, EarlyON Centres must implement a physical distancing policy of at least two metres (6 feet) among all individuals at all times. We ask that you work with your child/children on respecting physical distancing guidelines.
